Department of Statistics, Cochin University of Science and Technology, Kerala, India during December 19-22, 2011.

3. Presented a paper titled 'Concomitants of order statistics from Cambanis type bivariate Two Sided Power(TSP) Distribution' at the ' National Conference on Statistics for Twenty-First Centuary-2012 organized by Department of Statistics, University of Kerala, Trivandrum, India during December 10-12, 2012.

4. Presented a paper titled 'Concomitants of Records from general bivariate Cambanis family' at the 'National Conference on Advances in Statistical Theory and Coputational Applications' organized by Department of Statistics, Newman College, Thodupuzha, Kerala, India during August 29-30, 2013.

5. Presented a paper titled 'General distribution theory of concomitants from Cambanis family' at the 'National Conference on Process Capability Studies with Special Emphasis on Computational Techniques and Recent Trends in Statistics' organized by Department of Statistics, Nirmala College, Muvattupuzha, Kerala, India during October 3-5, 2013.
